

COSHH Declaration

(To be enclosed with all to APTOMET AG returned goods)

COSHH: Control of Substances Hazardous to Health

This declaration is required to meet Health & Safety Legislation and to maintain a safe working environment for employees and carriers. We ask for your understanding, that we execute the calibration/repair/maintenance only in case of complete filled and signed declaration.

Please sign declaration A or B as appropriate.

Failure to accurately disclose the requested information may delay the processing of your return and incur additional cleaning costs.

Micro-biologically, explosively or radioactive contaminated products are received only with proof of a correct cleaning.
